INHOUSE CONTRACTS has almost 30 years experience working with architects and designers, corporate and private clients - deploying an unrivalled product and service knowledge acquired during this time.

In-depth assessment of Europe's leading manufacturers over this period has produced a portfolio well in excess of 100 manufacturers - providing a product choice capable of satisfying the most demanding brief and allowing INHOUSE to exercise the greatest impartiality and offer most competitive solution for each individual client's project..

Ongoing appraisal - regular factory visits, annual product reviews at Europe's principle furniture fairs, along with subsequent performance during project deliveries and installation ensures maximum standards are maintained.

These have included:

- reception areas
- executive desking
- workstations
- boardrooms
- restaurants
- cafeteria
- bars
- hotels
- leisure centres
- retail food courts
- auditoria
- schools
- universities
- airports
- hospitals
- health clinics
- art galleries
- film production
